## STAINLESS STEEL

### 18/10 TRI-PLY FULL CLAD

The SAVEUR Selects Voyage Cookware collection brings affordable and stylish performance cookware to culinary explorers who love the art of cooking. The collection has been designed with multiple features to enhance the cooking experience from kitchen to table.

- Tri-ply stainless steel construction with an aluminium core for fast and even heat distribution
- Double-walled lids with internal drip ridges and condensation rings to lock in moisture and evenly distribute flavor
- Interchangeable lids
- Signature milled textured stay-cool handles provide a non-slip and comfortable grip
- Embossed SAVEUR Selects “S” logo
- DESIGNED IN THE U.S.A. PATENT PENDING

## NITRI-BLACK™

### CARBON STEEL

The SAVEUR Selects Voyage NITRI-BLACK™ Carbon Steel Collection brings affordable and stylish performance cookware to culinary explorers who love the art of cooking. The collection has been designed with multiple features to enhance the cooking experience from kitchen to table.

- Made with “Nitriding” technology our NITRI-BLACK™ Carbon Steel is corrosion-resistant and rust proof
- Natural non-stick patina layer can be built over time
- Delivers the same searing results as cast iron without the extra weight
- Even heating and cooling
- Hardened surface for extra durability and metal utensil friendly
- DESIGNED IN THE U.S.A.
